End of Year Giving

In order to claim a charitable contribution for 2006, contributions **must have been received by the church or postmarked on or before December 31, 2006.** This January, CPC will distribute contribution reports for 2006 to all donors having made at least one contribution of \$250 or more during the year. For donors who have not made at least one contribution of \$250 or more, current IRS regulations do not necessitate an official receipt from the church -- even if the total amount contributed for the year exceeds \$250. For all contributions less than \$250, cancelled checks may serve as substantiating records. Please contact Steve Woolbert (CPC treasurer) at steve@woolbert.com or 203-375-1414 if you have not made any one contribution of \$250 or more but would still like to receive a contribution report or have other questions related to these issues.

Thank you!
