There will be a special summer convocation on "Worship at CPC", August 19th directly following our Sunday Worship Service (during Sunday School)

The session request that all members of the church attend this important " family" conversation if at all possible. The focus of our conversation will be to hear and discuss a report of the session concerning its recent review of our worship at CPC and various continued efforts at "always reforming" for the glory of God as it pertains to our worship practice. We are presently working on the details for a children program so that our Sunday School teachers will be able to attend as well.
